A MESSAGE FROM HEATH

We at Auction of the Stars are again on the move, having had a wonderful 2017. At the National Dressage Championships at Boneo Park in Victoria the Auction of the Stars stallions were directly or indirectly responsible for 25% of the entire Australian Grand Prix class in terms of horses competing at this competition. What an amazing statistic!

The genetics that are represented by the Auction of the Stars stallions today include Donnerhall, Rubinstein, Negro, Ferro, Jazz, Consul, Angelo, Bjorsells Briar 899, Bernstein, Landadel, Aktion, Quaterback, Brentano II, Wenzel, Florestan I, Hohenstein, Lauries Crusader, Weltmeyer, Gribaldi, Salute, Bolero and Variant. From this mix of genetics are coming most of the top 25 Grand Prix horses at the Olympics and World Championships. This has to be one of the most potent mixes of genetics happening in the world at a single stud. So far we have not managed to produce an Olympic horse that has the capability of challenging for a medal. That is our goal! These outstanding individuals do appear out of the above mix. We are working on it, however, in the meantime the above mix is producing Grand Prix horses competing at the top in Australia!

So what's new? The first MSJ Nemo foals are making their appearance for the first time in this auction. MSJ Nemo is possibly at the moment the best-bred dressage stallion in the world. He combines the genetics, right up close, of the Rio Olympic individual gold medallist Valegro with the Rio Olympic individual silver medallist Weihegold. To the best of our knowledge we are the only people to have put these genetics together in one stallion. Perhaps we have had amazing good fortune but whatever, we have got the jump on the rest of the world with MSJ Nemo. These foals are quite startling in their elegance and leggyess. They have lots of bling and are breathtaking. Is this going to be that tiny genetic addition that changes Australian dressage? We are close.

What else? Questing R is now six years of age and starting to make his way into the competition arena. He is my special horse and is only ridden when I am at home. These days I am away much too much, to Questing R's disadvantage. Nevertheless, Questing R was the leading novice point scorer in NSW with an average score of 77.68%. Nearly 5% more than any other horse in the State. Questing R then went down to the National Dressage Championships in his first big away-from-home competition and won the National 2017 Elementary Championship. He has on two occasions gone through 80% and if he can keep this up as he climbs up through the grades he will single-handedly change Australian dressage history. The Questing R foals are tall and, like their dad, have massive scope in all three of their paces.

Most of our genetics and thrust is focused on driving the Australian dressage standards to a point where we Australian-based riders are competitive at Olympics. This December 2017 auction, however, does have a very serious three-day eventing flavour in terms of ridden horses and in terms of unbroken stock. The Australian eventing discipline is already Olympic medal competitive and a couple of these eventing horses have the potential to be right up there with the best.

December 2017 will be a fascinating auction. Without question, Auction of the Stars is a melting pot that is producing some of the top horses in Australia for our top Australian riders. Is this the auction that will produce dressage horses that go one step further and challenge for Olympic medals?

Cheers,
Heath

A MESSAGE FROM ANN-MAREE

It takes a leap of faith to take a horse through its life journey to Grand Prix dressage or showjumping or to three-star eventing.

And it takes a leap of faith simply to choose your next horse! No matter whether you are an ambitious pony clubber, a rider who loves to master classical dressage at home, a young rider with Olympic dreams in their eyes or an adult amateur or professional, it still takes a huge amount of self-belief and an imagination that can live and work and grow outside the box.

Alas for the romantics, it also takes research. But the good news is that here at Auction of the Stars we aim to combine all of the essential elements of that picture in ready-made packages for you - genetics that can rest on their laurels with proven pedigrees over and over again.

A successful journey begins with one step ... and for Byalee Stables, that next journey begins now. After two years of careful research, and after searching through Australia, New Zealand, the USA and Spain, Byalee Stables has imported a beautiful black PRE stallion that descends from some of the most elite performance bloodlines Spain has to offer. What looks like that traditional leap of faith is in fact the result of statistical analysis combined with a generous helping of self-belief and imagination.

Salao IX represents our dreams and imagination. Just as, 10 years ago, Byalee Briar's arrival from Sweden was the result of years of to-and-fro conversations between Heath and I, again, Salao's arrival in Australia from Spain is the result of a similar level of thought and consideration. The Ryans' latest addition to the stallion stable, MSJ Nemo, is yet another example of that premeditated integration into an already proven collection of elite bloodlines. He represents decades of performance breeding and once again years of performance analysis.

For the buyers at Auction of the Stars, the good news is that the research and analysis has already been done. Your leap of faith and your imagination takes you along a path that becomes ever more clearly obvious through those who have travelled before you – and this weekend we can offer you the equine companions you need to journey along that path towards what will hopefully be peaks of success.

Surely, when the sum of the whole is greater than its individual parts, we can together take Australia on our long-awaited path to Olympic success. Bring it on!

Black stallion 1996 16.3hh

Regardez Moi is the most winning Grand Prix dressage stallion in Australian history with more than 40 Grand Prix wins. Regardez Moi has on three separate occasions been the Australian Grand Prix champion as well as Grand Prix champion at Equitana for three consecutive years and represented Australia at the 2009 World Cup Final in Las Vegas. Regardez Moi has sired many outstanding competition horses including the 2016 Australian Grand Prix Champion Utopian Cardinal. At the 2016 Australian Dressage Championships Mindarah Park Ramadan (Mary Warren) was first in the Grand Prix Freestyle and second was Utopian Cardinal (Heath Ryan). Both horses were by Regardez Moi. In Australia at the moment there are some six Grand Prix dressage horses either by Regardez Moi or out of a Regardez Moi mare. Unexpectedly, Regardez Moi has also proven to be very successful in siring 3* eventers with several offspring competing at the 2016 Adelaide International. Regardez Moi is now 21 and without question is a legend in his own lifetime. He has been the most successful competition horse ever at Grand Prix level in Australia. He has sired more top Grand Prix dressage horses than any other stallion in Australia ever. He has produced high-priced foals and weanlings that have gone through the auctions and he is still sound at 21 years of age. Live cover only.

Palomino stallion 21/04/04 17.2hh

AOS goes to great lengths to ensure that we have the stallions with the best Grand Prix genetics in the world - this is one of them, and Byalee Briar is the only stallion in Australia by Bjorsells Briar 899 who is shaping up to be competitive and startlingly spectacular. Briar has had a quiet beginning to his career, but Ann-Maree has never given up on her vision and his schooling is now allowing those genetics and underlying talents to come to fruition. Briar is showing signs of realising his promise and is responding positively to schooling in piaffe, passage, tempi changes and pirouettes. He is now finding new gears that make him very exciting! And – he is the sire of the Auction of the Stars' record-setting sale, Byalee Breathless for \$72,600 at our 2015 Christmas auction. Unbroken youngstock sell for up to \$16,500 on farm. Briar is completely focused on a pathway to Grand Prix, but having said that, the information we are getting is that he is also throwing serious jumping talent. Bjorsells Briar 899 (elite-listed stallion) was for seven years the world's number one dressage breeding stallion. However, he actually scored higher for jumping than dressage at his stallion testing, as did Briar's dam sire, Bernstein, another elite-listed Swedish warmblood. Briar has an advanced level qualifying average of more than 65% and we look forward to even better to come. Briar is renowned for his amazingly calm temperament and buyers are enthusiastic about his youngstock, which inherit his statuesque conformation and athletic ability. Live cover only.

Unfortunately Jive Magic was injured and so did not continue his campaign as a top Grand Prix competition horse. He did, however, earn a reputation of being the most powerful Grand Prix horse in Australia. Jive Magic won some of the biggest Grand Prix competitions on the circuit, including the prestigious Sydney CDI 2010. As a sire, Jive Magic is experiencing huge success. His very first foal went Grand Prix and is called Jeff the Chef. Jeff the Chef is campaigning in the USA, while in Australia, Johnny Depp moved into the Grand Prix arena when just 8yo, with outstanding success. At State and National Championships and in young rider classes, as well as in young horse classes, Jive's offspring have been winning championships. Rozzie Ryan is campaigning champion Grand Prix horse Jarrah R. Olympian Sue Hearn on Jude R has already won numerous Grand Prix classes, Just Dance (Katina Smith) has chalked up wins at PSG and Inter I and more recently has started Grand Prix and Jazzki won the 5yo young horse class at Dressage with the Stars 2013. Youngstock by Jive Magic are inclined to have very fancy movement. Jive Magic is by Jazz, which has become a world recognised dressage dynasty and to this day the top riders the world over will seek out these bloodlines with a view to Olympic performances.

Chestnut stallion 26/9/11 17hh

Questing R is a fascinating addition to the Ryans' stallion band. He was bred by Michelle and Judith Buckley from Hunterview Stud, Scone, and is by Quarterback, who carries the Quando Quando bloodline. Quando Quando represented Australia in 2006 at the WEG in Aachen, Germany, and at the 2008 Olympics in Beijing. Quando has the most amazing temperament and this has found its way all the way down to Questing R. Quarterback, sire of Questing R, was the Bundeschampion 3yo riding horse. He scored a 10 for his rideability. Questing R's dam is by Brentano II out of a Wenzel mare. Brentano II is famous for producing international Grand Prix dressage horses including Brentina, winner of the World Cup Final in 2003 at Goteborg, Sweden. Questing R has just had the most magnificent 2017. Questing R right now at the tender age of six is setting all sorts of new Australian records in the lower dressage levels. In NSW in 2017 Questing R is the State Novice Champion and the State Reserve Elementary Champion. In Novice, Questing R averaged 77.68%. Questing R then went down to the National Dressage Championships in Victoria and won the 2017 National Elementary title. Questing R has on two occasions gone through 80%!! There is little doubt that if these scores continue on through the higher grades during the next two years, Questing R may well change the Australian Olympic dressage story. Questing R has everyone watching very closely.

Fiji R is an exciting imported stallion campaigned and trained by young rider Breanna Tilitzki right from breaker to the present, where he has numerous Grand Prix championships to his credit. Fiji R has consistently posted scores of up to 75% throughout his career, qualifying for Australia's elite international, Sydney CDI, State and National Championships. Fiji R has the quietest of temperaments and often will be found at Young Rider competitions with just Breanna and her mum as rider and guardian. This temperament Fiji R passes on to his foals, who have sold for as much as \$35,000. Fiji R has quite remarkable paces with a very distinctive walk. Trot is fully suspended with a definite ballerina poise between beats. Canter is beautifully balanced and uphill with super easy flying changes. Fiji R is sensationally bred with his sire Florencio being both the 5yo and again the 6yo World Champion young dressage horse. Florencio I is by Florestan I who has emerged as one of the recent very important dressage lines in Germany and who has a number of Olympic offspring to his credit already. On the dam line is a mix of Trakehner through Hohenstein and thoroughbred through the Hill Hawke line. Desert Storm is a magnificent imported black stallion representing just the very best Olympic bloodlines in the world today. He is a beautiful type with an artistic head and neck. His movement is big and correct with super bend through the hocks and knees. He is a winning eventer who carries amazing dressage genetics. Currently trained and campaigned by Sappho Ransan-Elliott, he recently won Tamworth ODE EVA105 finishing on 29.20 penalties, which is perhaps an Australian record. Desert Storm is also winning and placing at medium/advanced dressage with scores of almost 70% on alternate weekends. At home he is schooling in tempi changes and piaffe, with great promise for Grand Prix, while over a fence he does love to jump and approaches the fences with a careful watchfulness and then bascules up over the fences with perfect technique. For the breeding connoisseurs, Desert Storm is bred to win an Olympic dressage medal. He is by Dr Doolittle who is by Donnerhall. Donnerhall represents the number one dressage dynasty in the world. The majority of the top 25 horses at the last two Olympics and World Championships carry Donnerhall influence. Rubinstein can be found on Desert Storm's dam line and this blood is also extraordinary and exerts a whopping 21% influence in the genetics of the top 25 Olympic and World Championship horses. For a breeding buff, these are lines to die for. Desert Storm is special on all counts.

Wow is a stunning little stallion who is charging through the levels with an incredibly trainable attitude and an extreme aptitude for piaffe and passage! Wow has recently flown through the ranks from medium to advanced, on to Small Tour and Medium tour before hitting Grand Prix just in time to place at his first CDI! Wow is being campaigned by Dimity Lourey, and like mother, like daughter, she has completely focused on training him to Grand Prix level. This is the first horse that Dimity has trained herself to that level and he just keeps finding more gears as they advance through the training! Wow is a stallion with a great temperament, naturally sound, and although few people make this journey to Grand Prix with success, he is one of those special horses! The AOS stallions do have an unbelievable history of going all the way to Grand Prix. It's all in the genetics. Wow is by Wie Weltmeyer, a top showjumper and Grand Prix dressage horse before his international dressage career with Emma Hindle (UK). Wow's dam is the impeccably bred TB mare Law Suit, from the highly sought-after bloodlines of Son In Law, Blue Peter, Precipitation and Vain. Wow's offspring are just under saddle with Byalee Wishes at just 4yo winning his first champion dressage rugs with 15yo rider Tanisha Cragg and moving on to win at novice level while Byalee Warlock is the new special partner of Kiwi Sarah Holmes. We find that Wow really does throw his amazing temperament and look forward to see his youngstock advance to FEI.

Constable is by the sensational eventing stallion Contenda who until recently was being ridden by Shane Rose at two-star eventing level. There are some absolutely sensational photos of Shane and Contenda jumping on the Net. Contenda carries the fantastic jumping blood of Contender from Germany. Contenda also carries the TB blood of Bolero. Indeed the Bolero bloodline in Germany is today considered a dressage dynasty. At the end of 2016 Wimborne Constable won the 1* Wallaby Hill Three Day Event and since then has gone on to have a number of placings in 2* in 2017 and qualify for 3*. Constable is out of the mare Wimborne Paint it Black who in turn is by Gribaldi. Gribaldi is famous for siring many of the Dutch Grand Prix dressage horses including Totilas. Totilas is considered by many to be the best dressage horse the world has ever seen to date. Totilas sold to Germany for a rumoured \$A22million. Constable started his eventing career with Heath Ryan in the saddle and is now three years into competition. Constable has been a standout success, winning most of his starts and progressing rapidly to 2* eventing, the equivalent of Prix St George in dressage. Constable wins the dressage, is very brave and honest cross-country and does seem to have the most awesome ability to jump and simultaneously be super careful. It is still early days, however, Constable is giving off all the signs of being good for the 2020 Tokyo Olympics. Very exciting.

Chestnut stallion 20/04/13 15.1hh

It has taken us quite some time to get over the fact that our imported next superstar stallion did not grow as tall as we expected. 15.1hh! How did that happen? Well MSJ Nemo is now a 4yo and is broken in and just starting to go. Actually he is starting to go really well and we are excited. His first foals are on the ground and they have exceeded all expectations and we are excited! MSJ Nemo is arguably the best bred young dressage stallion in the world. He combines the Rio de Janeiro Olympic individual gold medallist and individual silver medallist in one exciting stallion! MSJ Nemo is sired by Negro who is also the sire of Valegro ridden by Charlotte Dujardin. Valegro won the Olympic gold medal at London 2012 and also at Rio de Janeiro 2016. Nemo R's grandmother Fernia, on his dam's side, is a full sister to Don Schufro. Don Schufro is the sire of Weihegold who was ridden by Isabell Werth and who was the individual silver medallist at the Rio de Janeiro Olympics and was also a team gold medallist. Just for the record, Valegro won a team gold medal at the London Olympics and a team silver medal at the Rio Olympics. So that is four Olympic gold medals and two Olympic silver medals right up close in our horse. MSJ Nemo!! Check out the first Nemo foals in this Auction. Absolutely stupendous!! We are excited.

Black PRE stallion 18/03/13 17hh

Salao IX is literally just off the plane, the latest of the Auction of the Stars stallions, and we are sure he is headed for a big future. Holding a Spanish passport, classified with ANCCE and already APTO registered and graded, Salao offers the most royal of Spanish bloodlines from the Yeguada Militar (Royal stud) and his pedigree is dotted with APTO and Calificado approved and elite stallions – his blood is the bluest of blue! Standing at 17hh at 4yo, Salao was registered and graded prior to his arrival in Australia. Whilst still maturing under saddle, Salao shows a generous overtrack in the walk, a ground-covering uphill canter and a scopey trot that promises much for the future – and on top of that, Salao has an amazing temperament that sees him described as a teddybear! Salao's grandsire Ermitano III is the first Spanish stallion (one of only two ever) to be both elite and improver breeding classified, an accolade awarded on the basis of the genetic assessment of his descendants on a Global Genetic Index. Legendary dam sire Obcecado, also from Yeguada Militar (the Royal Stud), was three times Andalusian champion in Spain while his famous sire Bizarra VI also sired 2004 Olympian silver medallist Oleaje as well as many Calificado sires, while Oleaje in turn went on to sire champion stallion Habanero, who stands at stud in the US. Yeguada Militar bloodlines are some of the most sought-after in the world and we are expecting great contributions to our gene pool in terms of piaffe and passage from Salao – watch this space!

First Class R is a black gelding with one white sock and a star. First Class R has fantastic paces that we sadly didn't manage to capture in the photo. First Class R is by Grand Prix dressage stallion Fiji R who right now is starring on all fronts being very popular with mare owners and throwing foals that are great lookers, move really well and have really outstanding temperaments. Fiji R can now be seen campaigning regularly at the Australian international dressage shows in the CDN Grand Prix with Bree Tillitzki in the saddle. On the dam line of First Class R is Random R who is by Regardez Moi. Regardez Moi has on three different occasions been the Australian Grand Prix Champion. Other superstars sired by Regardez Moi include Utopian Cardinal, 2016 Australian Grand Prix Champion; and Mindarah Park Ramadan, winner of the Australian National Grand Prix Freestyle in 2016 with Mary Warren in the saddle. This is the youngest rider ever (18yo) to win an International Grand Prix class. Rattle 'n' Hum Grand Prix, Rubenesque Grand Prix, Rubio R Grand Prix, the dam of CP Dresden who won both the CDN Grand Prix and the CDN Grand Prix Freestyle at the 2017 National Dressage Championships, also the dam sire of Don Rubin Grand Prix and the list goes on and on. First Class R is a beautiful sweet character and is bred to succeed.

Ferron is a sensational gelding with enormous, powerful paces and exceptional hock movement, who simply floats across the ground. With a huge walk, an even bigger canter, and a trot that just oozes international potential, his sire is renowned the world over – Olympic Ferro, known as the Black Pearl, won silver for the Dutch team at the 2000 Olympics after starring as a young horse, and did reach a peak of number one dressage stallion in the world. Ferro is by Le Mexico, 10th on the jumping index and carrying Furioso blood, which adds value to every pedigree. Ferro has sired international GP competitor Jarwo and more than 10 licensed stallions. Most outstandingly, Ferro is the sire of Negro, in turn the sire of Olympic gold medallist (2012 and 2016) and arguably the world's greatest dressage horse, Valegro. Ferron's dam, Apricot of Wondaree, was a successful young horse (Hayley Beresford) by Fame of Wondaree, descended thru the famous Satu Besar from iconic hunter Paddys Land, the first Irish sporthorse imported to NZ. After a late start, Ferron has been trained at Byalee Stables for the past year and has never been unplaced in his dressage competitions, attracting the eye of spectators at every outing. He is beginning his lateral work, embracing collection and gives a beautifully soft ride with easy fold through the poll. Ferron is an affectionate soul who loves people and is looking for a serious partner who will join him on his journey!

Numero Uno R is by MSJ Nemo who combines the gold medallist in Valegro from the Rio de Janeiro Olympics ridden by Charlotte Dujardin and the silver medallist in Weihegold ridden by Isabell Werth. MSJ Nemo is possibly the best bred young dressage stallion in the world today! MSJ Nemo has just started under saddle himself and his natural ability and quietness and confidence is coming up on our radar loud and clear. We are excited and the appearance of the first MSJ Nemo foals has made us very excited. Numero Uno R is out of Jaimie R who in turn is by Jive Magic who with Rozzie won the 2010 Grand Prix at the Sydney CDI. This was possibly the most prestigious dressage show in Australia at the time. Jaimie R is in turn out of Regalia R who is by Regardez Moi. Regardez Moi has been three times the Australian Grand Prix Dressage Champion and a legend in his own right. Jaimie R is herself a wonderful broodmare and has already produced Fireworks R. Fireworks R belongs to Claire Plenty and is now 7yo and already a dressage sensation being comfortable with tempi changes down to every second stride, piaffe and the beginning of passage. Fireworks R is now medium level having won his first medium tests. Numero Uno R is big time!

Rossignole has super collection talents and is only just now starting to realise her potentials. Super two-track work as can be seen in the photograph illustrating half-pass left. Rossignole has started piaffe with great promise, great flying changes that have already progressed to tempi changes, canter pirouettes that will be a highlight and a charisma that is a hallmark of this mare. Rossignole is very supple and gives a very soft ride. Rossignole is by Regardez Moi who has on three different occasions been the Australian Grand Prix Champion. Rossignole is out of Tilly who is by Jive Magic. Jive Magic also has been a prolific Grand Prix dressage winner at major International dressage shows. Right down the bottom is Richmeed Medallion who with Ann-Maree Lourey was also Grand Prix. Also of great interest is the mare Stirling McOhl who is by Kilof McOhl who was a Danish stallion brought into Australia in the 1980s by Australian Olympian Mary Hanna. In 2015 Rossignole was the Novice Champion of Northside Riding Club and in 2017 she is in the running for the Medium Level Horse of the Year at the Northside Riding Club. For the breeding buffs, Grand Kavalier is by Grundstein I who was a very serious sire 20 years ago. Of note is that Carl Hester rode at his first Olympics on Girogione in 1992. Girogione is also by Grundstein !!!! The mother of Jimmy R, Russia R, is indeed a full sister to the stallion Feldale Regardless R who is owned and campaigned by Australian representative event rider Felicity Cribb. This stallion excels in both eventing and in FEI dressage. Quite the sensation and, again, a stupendous temperament. Jimmy R is just so well bred!! So far Jimmy R has been broken in by visiting French working pupil Nadege Wendling and then schooled on by Hazel Shannon. Right from the start he has been a total superstar. Quiet, quiet, quiet. Jimmy R is just now going on the bit and holy smoke is he starting to show some paces! A wonderful walk, huge scope in the trot with super dooper hindleg activity and a beautiful, balanced canter. He is a careful and straightforward jumper and is well and truly heading towards 3*. Tomfoolery R is bred to be a top-of-the-range eventer and at the time of writing, placed 4th at his last start at Goulburn CIC 1*. Tomfoolery R jumped brilliantly and was one of only eight horses to go clear cross-country and clear under time out of a field of 47. Tomfoolery R is rapidly developing into a point-and-shoot horse and is lots of fun to ride. He was clear in the showjumping at Goulburn. Tomfoolery R is good in shoulder-in and half-pass in both trot and canter. He has good extensions, super flying changes, established tempi changes down to changes every second stride and has started training one-time changes. Tomfoolery R has started a bit of piaffe and shows a lot of talent in that area. Tomfoolery R has already placed in Prix St George and Intermediate I dressage tests. Tomfoolery R is a very sound individual. It is very rare indeed to have a horse as versatile as Tomfoolery R. It is even more rare to have a horse who is so capable in the two disciplines. It is really very rare for a horse so young to be so advanced. Tomfoolery R's sire, Gwaihirs Zodiac, was a successful eventer until injury cut short his promising future. Gwaihirs Zodiac is also the sire of Chris Burton's superstar Haruzac who won Saumur CCI3* in 2012 and who came 4th at Burghley CCI4* in 2015. Blue Note is an impressive brown filly who is purpose bred for eventing. Her sire, Highland Blue Diamond, is an up-and-coming young stallion who is recognised as a “freak” jumper. Highland Blue Diamond’s sire is Celtic Blue Diamond who was a Grand Prix showjumper in the USA. Highland Blue Diamond also carries a number of proven thoroughbred jumping lines including Sir Ivor, Sir Gaylord, Agricola, Precipitation, Summertime, Zephyr Zip and Hyperion. Most of the above-mentioned stallions are straight thoroughbred and the horses winning and placing highly at 4* eventing around the world almost always have a significant amount of thoroughbred blood in their pedigree. Blue Note is a little under half-thoroughbred, which will be of huge value at the top. Blue Note’s dam, Sing Song R, is by Salute. Sing Song R is actually a full sister to Kenare Snow Shoes who showjumped at World Cup level with Vicki Roycroft. Salute blood is probably the most influential performance Olympic bloodline in Australia today. Salute is found in eventers Panamera (4* eventing winner), Sandhills Brillaire (4* eventing winner), Adelaide Hill (3* eventing winner), F1 Pharenelli (Olympic 2012 short-listed horse) and London Olympic eventer Mystery Whisper. Blue Note is a beautiful type with great movement and with pedigree like this she should be an incredible jumper!

Skyfall's sire is well-known Grand Prix dressage stallion 00 Seven, who is a unique combination of top-class pedigrees including Rubinstein and Doruto, arguably the world's best dressage producers ever. His dam, Gelbria, is a full sister to Olympic Barbria (Tineke and Imke Bartels). Skyfall's dam descends from the wonderful breeding of traditional-style warmbloods. Silver Hills Mystery has amazing pedigree. Her sire, Belcam Graphic, qualified for his AWhA stallion licence by winning all three disciplines. His pedigree includes Ludendorf and Copernicus and her granddam was an elite studbook mare. Silver Hills Skyfall is easy to handle, shoe, worm and catch. He has been vaccinated for tetanus and strangles annually, and had his teeth done in September 2017. Silver Hills Skyfall's international pedigree and outstanding movement point to great expectations in his performance career! Check him out at <https://www.youtube.com/watch?v=Uy7z9vuMb9s>

Holy Smoke here they come, the first of the MSJ Nemo foals and don't they look exciting. New Yorker R has so much bling, including under his tummy. New Yorker R is the most beautiful type and at just one week of age, which is when this photograph was taken, already shows paces that make the mind take a breath. How good is this foal? Well, none of us really know, however, there is no question that New Yorker R is really, really nice. New Yorker R is by MSJ Nemo who combines the gold medallist in Valegro from the Rio de Janeiro Olympics ridden by Charlotte Dujardin and the silver medallist in Weihegold ridden by Isabell Werth. MSJ Nemo is possibly the best bred young dressage stallion in the world today! MSJ Nemo has just started under saddle himself and his natural ability and quietness and confidence is coming up on our radar loud and clear. We are excited and the appearance of the first MSJ Nemo foals has made us very excited. New Yorker R comes from the unique Starnberg and Regardez Moi bloodlines on his mother's side. Starnberg is by Sir Donnerhall and Starnberg as a young stallion was doing displays of all the Grand Prix movements including wonderful piaffe and passage at just six years of age. Also on the dam side is Regardez Moi who is a legend in his own right and was three times Australian Grand Prix champion. New Yorker R is sensational!

PPT to Wimborne Constable due 2/10/2018

This 17yo chestnut mare is by Falcon Jigsaw out of a Contact mare called Cadina. Falcon Jigsaw (small tour dressage stallion and successful showjumper) is the sire of Falcon Legacy (dressage and showjumping), sold to Victoria for \$50,000; Falcon Fernando (dressage, eventing and showjumping), sold to Korea for \$70,000; Falcon Splash (dressage, eventing and showjumping), sold to the USA for \$50,000; three-quarter brother Falcon Flash (NSW HOY winner and 3* eventer), sold to the UK for \$150,000; Falcon Legacy, a colt until 3yo and the sire of Falcon Braddock, Grand Prix showjumper at 1.45m and currently for sale for \$55,000. Party is the dam of Falcon Zara, Falcon Premiere and Falcon Duellboy. Zara is a stunning showjumping mare who will soon be on the market as rider John Cooper is unlikely to return to the highest levels of showjumping due to injury. She is reported to have full brother sold as a show jumper for \$70,000 and has had two foals sell for more than \$40,000. This mare has a PPT certificate in foal to Wimborne Constable. Constable is being campaigned very successfully by Heath Ryan on the eventing scene, with Heath loudly targeting the 2020 olympics with him. Previous progeny include the following:

Bay mare 9/9/09 16hh

Brandy Time is a compact athletic thoroughbred mare who is a very soft ride and has inherent power. Through her natural suppleness, Brandy Time folds easily through the poll and travels naturally in a round outline. So on the bit in the dressage arena, soft and round whilst jumping and sweet in the gallop. Brandy Time has super paces with overtrack in the walk, good bend and swing through the trot and a natural engagement and balance in the canter. She finds shortening and lengthening easy. Jumping is perhaps her talent, which is spectacular. So far we have done limited training but her initial response is outstanding. Brandy Time has enormous strength off the ground and really does find it easy to be airborne. This is just her thing and it gives a wonderful feeling to the rider on top. Combined with this powerful take-off is her natural carefulness. It is not unusual to do a complete training session and not once even tap a rail. Just maybe Brandy Time is the most careful young jumping horse that we have ever had. By the auction we will know a little more about this aspect but she is a very, very careful jumper. This is a talent that Brandy Time was born with. Of course we will encourage it with training but nevertheless a gift she was born with. Brandy Time is very nicely put-together with a very powerful hind quarter. She has a classic thoroughbred head and is pretty. Brandy Time is in our opinion a horse with the potential to take on the top end of eventing at 4* level and just maybe an Olympic or World Championship horse.

Lady Sandra – Sandy – is by an exciting young stallion with amazing bloodlines out of an unusual palomino mare by Regardez Moi (imp) out of a Du (imp) mare. Sandy's striking buckskin looks are just the icing on the cake for an exquisite filly who barely touches the ground when she moves and is bred to be an international Grand Prix champion. Sire Lord Sandreo K combines the bloodlines of Grand Prix stallion Lord of Loxley (Brett Parbery and Hans Peter Minderhoud) and Sandreo (also campaigned by Hans Peter) who of course carries Sandro Hit and Metall bloodlines, with Metall bringing 2004 Olympic silver medallist Olympic Ferro into the mix as well as the much-proven Florestan lines through Santina's dam line (via Freestyle). Sandreo, with six breed society approvals and many licensed sons, was a young horse champion while Lord Sandreo is already out campaigning here in Australia. Sandy's dam line includes Australia's most successful ever Grand Prix stallion, Regardez Moi, as well as the imported Swedish stallion Du (Lesley Anne Taylor). What a mix! Sandy is well-handled, accustomed to being stabled or paddocked, and shows great trainability, lunging at walk, trot and canter and performing in hand with a calm and willing attitude.

Chestnut gelding 3/11/07 16.2hh

Allegro Vivace is called Charlie in the stable and is really sweet to handle in all ways. In the dressage arena Charlie is super quiet and has a lovely swing to his back. Charlie is comfortable in shoulder-in, half-pass and medium trot. He has on several occasions scored over 70% in the dressage arena. Showjumping, Charlie is 100% honest and is already jumping clear rounds in 1.20m classes. Charlie across country is in his element. Charlie will gallop on a light rein and is well-schooled. Charlie is very confident with water fences and will already take these fences on an angle. He lands with balance and will move forward with power if asked to, to the next obstacle. Basically that means you can easily take a stride out on related lines in a very composed way. Charlie is excellent when it comes to apexes and is great on curving, related lines to these fences. Charlie is very familiar with arrowheads and will reliably prick his ears and lock onto the centre of these fences. Charlie is good over ditches and very good on angled houses. Charlie is very comfortable at the bigger competitions and at his last start at the Goulburn CIC 1* (an international competition) Charlie was clear over the cross-country fences and clear under time. There were 47 starters and only seven other competitors were clear on time and jumps. Charlie will do another two 1* competitions and then move up to 2* early next year. We are very confident that Charlie will make 3* within 18 months.

Regardez Moi has sired many international Australian Grand Prix competitors including 2016 Australian Grand Prix Champion Utopian Cardinal. Regardez Moi has on three different occasions been himself the Australian Grand Prix Champion. On the dam side of Rainy Morning R is Jive Magic who was a mighty Grand Prix performer before being injured doing stud duties. Jive Magic won the Sydney CDI Grand Prix in 2010 with Rozzie Ryan in the saddle. Rainy Morning R has enormous paces with power to spare. Rainy Morning R is sold in foal to Questing R who right now at the tender age of six is setting all sorts of new records in the lower dressage levels. In NSW 2017 Questing R is the State Novice Champion and the State Reserve Elementary Champion. In Novice, Questing R averaged 77.68%. Questing R then went down to the National Dressage Championships in Victoria and won the 2017 National Elementary title. Questing R has on two occasions gone through 80%!! Questing R has everyone watching very closely. Rainy Morning R herself also has movement to bring the house down! Eccles (born under a magical lunar eclipse) is a flashy young gelding by Grand Prix stallion Byalee Wow Wie rw offered under saddle, out of one of our beautiful Briar mares, Byalee Butterfly. Eccles is as straightforward as they come, winning his first preliminary test at his first competition on 68% and never unplaced. He is well-educated horse for his age and is growing out beautifully. He has been produced over winter and is ready to compete. Eccles is confident in walk, trot and canter and travels easily and softly on the bit, happy to work through baby lateral work including trot half pass and he is playing with some baby half steps that point to a promising Grand Prix career. Truly movements will never be a problem for him and we can't wait to see him grow in balance and stature as he develops. Sire Byalee Wow Wie competed at Grand Prix level at his first CDI just weeks after his 8th birthday while dam Butterfly is half-sister to Grand Prix champion Byalee Magic (Ann-Maree Lourey), by Byalee Briar (imp), now successful at advanced level dressage and showing some seriously flash piaffe and passage. He has three great paces and uses his hindquarters to produce both power and elegance. His dam, BP Gemini, was a successful eventer by Gwaihir's Zodiac (Heath Ryan and Boyd Martin). He sired Haruzac (Chris Burton) who was shortlisted for London Olympics, as well as Tomfoolery R (Heath Ryan), Lot 10 in this auction. He carries the proven jumping lines of Grey Sovereign and further back in BP Gemini's pedigree are internationally sought-after Souvenir bloodlines. BP Domiracle One is by Domingo, who is in turn by imported stallion, Daktylus. Byalee Aurora is a sweet-natured, nicely moving mare who has done it all without batting an eyelid. A smooth ride and a competent jumper, she placed at one-day events around the Hunter and competed at showjumping days as well as educating young riders at pony club. Aurora is by Belcam Aatlantis who is by imported German stallion Aachen (also known as Aazzaro). Aachen is of course the sire of Grand Prix horses such as Aachimedes (Sally Evans), and of stallions such as Belcam Aallegro, Abbylara Avante, Fourwinds Aatal, A Big Pleasure and many more while Aatlantis' dam, Suncoast Solo, was also the dam of stallion Belcam Graphic. Aachen was imported and later exported back to Germany. On the dam line, Aurora is by champion Ludendorf stallion Stirling Lamay, out of Stirling Sally. Stirling Sally was a full sister to three-star eventer Country Lights (Heath Ryan), who was sold to the Japanese and went on to have a successful showjumping career as Just James with Rod Brown. Aurora is in foal to Grand Prix stallion Byalee Wow Wie rw, who does carry some amazing TB showjumping and eventing lines as well as his German dressage breeding, leaving the way open for Aurora's foal to be successful in any of the Olympic disciplines. Wholly Relics

QUALITY ANTIQUES

Wholly Relics is based in a heritage-listed building that was once part of the old Maitland flour mill, which dates back to 1860-1870. Wholly Relics specialises in quality antiques, and carries a huge range of constantly changing stock.

The bottom floor of Wholly Relics is a treasure trove of top quality pieces, including Royal Doulton, Shelley, Winton, Belleek and Limoges. There is crystal, plus glassware including a huge range of Victorian and some Georgian, in red, green, purple, yellow and white.

There is costume jewellery and knick-knacks, plus a great selection of quality furniture, lamps and accessories ranging from 1860s to 1920s, and a huge range of popular Masters' prints. Those who wander upstairs are able to fossick for a bargain amid the lower-priced goods.

If you are visiting the Hunter, make sure you take the time to call in. We are open from 10am to 4pm Thursday to Sunday, or by appointment.

Just 15 minutes from the freeway, Wholly Relics is right on the New England Highway at East Maitland and has plenty of off-road parking behind the building.

RIDDEN HORSE TRIALLING

This is one of the outstanding opportunities offered through the AOS selling program. We would encourage all riders who are slightly interested in the ridden horses to pluck up the courage to trial these horses in the official trialling times. Of course you are very welcome to trial these horses by prior arrangement in the weeks preceding the auction. Most people do suffer from the thought of riding in front of a crowd on the official trialling day. Our take on this is that if you are too embarrassed to look out for your own interests, then certainly nobody else will. Also, if you have dreams and ambitions, secret or otherwise, and being embarrassed is the biggest obstacle you have to overcome, then really life is not too bad. Realistically you will have to overcome much bigger obstacles than just being self-conscious or embarrassed. Get out there, trial these horses and take advantage of a great opportunity.

At the auction you do have the unique advantage of comparing one horse against the other. This comparison opportunity is exactly what happens in competition, one horse immediately compared against another, a phenomena which is very difficult to replicate when buying a horse privately. Riding is a passion discipline and in most instances when buying privately a prospective purchaser falls in love with a horse and buys it. In the auction situation, a prospective purchaser is much more likely to weigh up the pros and cons of each horse on a comparative basis. Of course, falling in love with the horse is a critical ingredient for success but we at the AOS would encourage you firstly to select your next horse on an intellectual level, then follow your heart and fall in love with the horse. We all know of people that have bought horses that didn't turn out to be everything they had hoped for but nevertheless, love the horse and persevere even when it is clear they should sell and start again. Treat the auction trialling as a day at the office.

We encourage everyone to trial each horse that goes close to falling into their wish list category. Keep in mind that sometimes a horse that reads and looks mediocre in the catalogue actually turns out to be lots better in real life than you had expected. Conversely, some horses will catch your imagination in the catalogue, and then be disappointing in real life. Once you ride more than two horses you will lose track of details on each horse so we encourage you to write notes on each horse immediately after trialling them. Also, watching a horse being trialled by other riders is a great way of assessing honesty and rideability.

The first official trialling is on Saturday at 1.45pm and on Sunday at 8am and we would encourage all interested parties to take advantage of this Saturday trialling. This does give you as the potential buyer the opportunity to have another ride the next day Sunday, at 8am. This also gives you enough time to research the horses and talk to the owners.

The basic format of trialling is that two or three horses come into the arena and are shown off for the first five minutes by their vendors, basically warming up and just gently running through the horse's routine. Then people wishing to have a little sit are invited to come forward. Prospective buyers organise to trial a horse by approaching the AOS representative, who takes a list of names so as to keep the trialling ordered, and also signing the appropriate waivers. Each trialling is tailored to each rider's individual needs, keeping in mind that the first and foremost priority is safety, and of course the well-being of the horse. It is a very hectic schedule with two sessions of public trialling plus the auction, all in two days, so horse welfare is a major consideration. We are of course very aware of also servicing the riders' needs.

Good luck, and if you have any questions please feel free to contact Heath Ryan on 0417 656 636 or email info@auctionofthestars.com
