# PERFORMING GLOBALLY

Auction of the Stars has gone from campaigning on the national front to exploding onto the international front. Just a few weeks after this March Auction of the Stars, Regardez Moi will represent Australia at the World Cup Dressage Final at Las Vegas in the USA. This is where just the top 15 qualifiers in the world will go head to head. Pretty good company! Outstanding young stock by Regardez Moi are available in this March auction as indeed are three unreserved service fees.

Late last year at the USA National Dressage Championships, Jeff the Chef became the American National Advanced Dressage Champion at just 7 years of age with Silva Martin in the saddle. Jeff is the first foal ever by Jive Magic and was bought for \$11,000.00 through - you guessed it - Auction of the Stars! Outstanding young stock by Jive Magic are also available in this auction as well as an offering of three unreserved service fees (The mother of Jeff the Chef is a Salute mare called Shannon and in this March Auction we offer her foal Rival R, by Regardez Moi).

Recently advertised for \$300,000.00+GST is the Australian Grand Prix dressage newcomer Byalee Magic, trained and campaigned by Ann-Maree Lourey. Magic has won his last two Grand Prix starts, the CDN at the Australian National Championships and the CDN at the Victorian Championships. Hopefully this horse will stay in Australia. Magic is by Richmeed Medallion, out of a Salute mare, which in turn is out of a Ludendorf mare. All of these bloodlines can be found in most Auction of the Stars auctions, including this March auction. Interestingly, Heath's new superstar eventer Mystery Whisper, who is the youngest winning CCI 3\*\*\* Eventer in the world at this moment, is also by Medallion, out of a Salute mare.

Both Dirk Dijkstra with AEA Metallic and his newly imported stallion AEA Tuschinski, and Ann-Maree Lourey with Byalee Briar and Byalee Romance, bring bloodlines to the auction geared for the future and without a doubt are very much a part of the Auction of the Stars campaigning globally.

There are three aspects to this auction. First, for those of you interested in being part of the emerging Australian

# PERFORMING GLOBALLY

performance frontline now is a great time to buy a piece of the action. We are talking about dreams and Olympics. We have no hesitation in guaranteeing that some of these youngsters being presented at this March auction will become part of our ongoing global performances. Second, for those of you interested from an investment/breeding point of view, now is a great time to get in. These frontline genetics are not only holding their value but increasing as Auction of the Stars continues to push the performance boundaries. These values are hooked in to the Olympics and the cutting edge and such is the passion and interest in Olympic participation and indeed global interaction that these youngsters represent money well spent. Finally, for those of you who are connoisseurs of life and wish to be surrounded by excellence then this is the boutique presentation.

We always hesitate to add this but realistically the auctions will invariably release some beautifully bred individuals at very reasonable prices, dare I say, bargain prices. Without a doubt, at the conclusion of every auction, somebody has managed to secure a youngster who they had originally thought was way beyond their means. These people are invariably courageous souls and we welcome them to our adventure. Please keep in mind that on many of the lots we do offer vendor finance and you are very welcome to make further inquiries by contacting the Auction of the Stars website or Heath on 0417 656 636. We will then forward you the appropriate information for your perusal.

All the very best of luck,

*Ann-Maree Lourey and Heath Ryan*

## Black Grand Prix stallion 16.3hh 1996

Regardez Moi is today the reigning Australian Grand Prix Champion 2008/2009. He has also just blasted a new Australian international Grand Prix record score at Equitana in late November 2008 of 68.25%. Regardez Moi is experiencing an all-time high - 2008 culminated with winning the Australian Final of the World Cup and so qualifying to compete at the World Cup Finals in Las Vegas, USA, April 15-19. This is where the top 15 qualifiers from all over the world will meet head to head. This is also Regardez Moi's first performance in the Northern Hemisphere and a great lead-up to the World Championships next year. Regardez Moi is slowly but surely closing the gap between Australian Grand Prix standards and the standards of the superstars in the Northern Hemisphere. These are very exciting times as Regardez Moi builds in confidence and stature and sweeps aside one record after another. Normally a service fee will cost \$3,500.00+GST, however, on March 8 three service fees will be offered with no reserve and is a great opportunity to become involved. Please note that unfortunately with Regardez Moi, there is no chilled or frozen semen available so all mares must travel to the Ryans at Heatherbrae in the Hunter Valley, NSW. This is a stallion who is right now changing Australian history.

## Palomino stallion 17hh 2004

Byalee Briar is an amazing opportunity to acquire a highly sought-after European pedigree - Bjorsells Briar 899 has been the world's number one dressage breeding stallion! He is a legend! He is famous for a quote from Olympian Kyra Kyrkland, who said: "I would give my soul for this horse." On the dam line, Byalee Briar is out of a Bernstein mare. Bernstein is a Swedish warmblood stallion, sire of many approved stallions, again with a pedigree that has proved itself in the ranks of Grand Prix in Europe and the US. Bernstein also sired Madonna, the winner of the national Swedish finals for four-year-olds, and won the Breeders' Trophy for 5- and 6-year olds. He was himself stallion of the year in dressage in Sweden in 2001. Together these bloodlines have now produced what we expect to be one of the most exciting young stallions to be brought into Australia. He has inherited Briar's incredible uphill canter with strong shoulder and knee action, and shows that ever-essential correct walk. Byalee Briar is already winning annual championships at preliminary level and his babies are friendly with great conformation and amazing movement. Byalee is thrilled to be able to offer these wonderful bloodlines live in the Southern Hemisphere. As a bonus, Byalee Briar is a palomino, with the colour dating back eight generations of Swedish warmbloods.

## Bay stallion 16.3hh 29/05/01

The legendary AEA Metallic has proven himself to be an inspiration for the dressage sport in Australia as a top-class performer as well as the sire of the most outstanding moving foals ever bred in this country.

Since arriving in 2005, Metallic's performance has grown from strength to strength and he began PSG as a 6yo. We are expecting him to do Grand Prix within a year because everything comes so easy to this super-talented stallion. Metallic is an awesome mover with a powerful, elevated and cadenced trot. He has a front leg with rare knee action, plus an extreme active and powerful hindleg. The canter is just out of this world, so huge and big off the ground and again that wonderful front leg! The walk has a very big overtrack and again is just super impressive. Genetically, Metallic is performance bred by Metall, by the Dutch black pearl in breeding, Olympic Ferro, three-time team silver winner including at the Sydney Olympics. Metall's dam is by the legendary G Ramiro who bred not only jumpers but also international dressage horses. It is interesting to note is that in 2005 Metall was represented by 17 offspring in the second round of the Dutch Dressage Championship for young horses, the Pavo Cup. AEA Metallic's dam is by Gabor who was approved in 1991 with scores of 8 and 9.

## Bay FEI stallion 16.3hh 1996

Jive Magic is Rozzie Ryan's elite project heading for Grand Prix. He has won almost every PSG and Inter I dressage championship in the country. He is now totally focused on the leap from Small Tour (PSG/ Inter I) to Big Tour (Inter II and Grand Prix). Of all the Small Tour horses in the world, very, very few of them can make that jump. We suggest perhaps not more than six in every hundred, or 6%. In most cases, the stumbling block is piaffe/passage and we are pleased that Jive Magic has absolutely amazing piaffe/passage! His first GP start is planned in the first half of 2009 and it will be a very auspicious occasion. Meanwhile, Jive has developed into one of the most exciting sires perhaps ever in terms of young dressage horses. Karingal Anastasia is by Jive Magic (bred by Karen Waterman, owned by Sharna Glover) and at the Australian National Dressage Championships with Tor Van der Berg won not only Australian Elementary Champion, but also Medium Champion! In the USA, Jive Magic's very first foal ever, Jeff the Chef, is creating huge interest. Ridden by Silva Martin he is the American Advanced Dressage Champion 08/09. There are many other exciting Jive Magics out there sought after by the top dressage riders in the country. Jive performs on Saturday evening, March 7, with a quick demo while selling service fees on Sunday the 8th of March. These service fees are unreserved and so are invariably somewhat cheaper than what one would pay on farm and a great way to get involved. Normally Jive's service fee is \$3,500.00 +GST. These service fees come with a live foal guarantee.

**Bay stallion 16.3hh 2002**

Byalee Romance is an exciting young stallion by Regardez Moi, who is knocking 'em dead in the GP arena. Already, from limited outings, Romance is following in his father's footsteps with official preliminary championships and scores of up to 78%, as well as his first Horse of the Year title. Mixed with Romance's outstanding Rubinstein and Donnerhall pedigree is Lanthan (dec), a black 16.2hh stallion (German, imp). Lanthan sires beautiful, elegant, modern warmbloods renowned for their temperaments and talent in both dressage and show jumping. Romance marks the dawning of a new age in dressage. He has an even, regular walk. The trot has Grand Prix written all over it. It has a wonderful regularity and a soft and strong swing through the back that makes him a delight to ride – indicating that, like his dad, he is going to have international standard piaffe and passage. The canter right from the day he was born had magical talent – what would be collected for any other horse is something Romance can do on a loose rein, with great expression. He has a natural suppleness and flexibility. Mentally, Romance is very stable, very aware and a great thinker, able to receive sophisticated information and react without stress. Romance is a beautiful and obviously upstanding individual – and incredibly exciting. Available live or chilled (LFG). Frozen semen by arrangement.

## Dark Brown Stallion, 170 cm, 20/04/2005

Europe has a long and successful history of breeding specialised horses for the sport of dressage - but now we offer access to those prize genes with AEA Tuschinski, recently brought to Australia from Holland by leading breeder and trainer Dirk Dijkstra. AEA Tuschinski is named after his sire Tuschinski, outstanding son of the world-famous dressage stallion Krack C. Krack C is a gorgeous GP stallion ridden to huge international success by three-time Olympic gold-medal winner Anky van Grunsven. Tuschinski is considered by many to be the best dressage progenitor in Europe. His foal report showed in an outstanding way that he passes his flexibility, suppleness and presence on to his offspring, that they showed extra special self-carriage and a good hindleg technique. AEA Tuschinski's dam is Paronia B out of the unbeaten stallion Gribaldi. Gribaldi (Keur stallion) was 1995 champion of stallion selections and 1996 champion in his stallion performance test. Gribaldi was the winner of the 4yo stallion competition (1997) and reserve champion in the Pavo-Cup (4yo dressage horses). AEA Tuschinski's breeding is clearly phenomenal. His movement in all three paces is simply astonishing - supple and elastic with a super-active hindleg and that expressive 'knee' action in front as you would expect from an AEA Burong stallion. If you want to be a successful dressage rider on a quality horse then now is your chance!

## Black filly 20/08/08

We are very excited to offer the first of our Fiji foals for sale. This filly has paces that are simply extraordinary and will bring everybody to their feet. They are expansive in the extreme, beautifully elegant, and she would be considered a breathtaking mover even in the biggest auctions in Europe. Backing Frangipani up on the dam side is Regardez Moi with his awesome collection talents in piaffe and passage, and one would have to think that this filly may well earn the title "freak"!

Frangipani is definitely going to be one of the very sought-after lots as she represents cutting-edge genetics. Fiji is by Florencio, the World 5yo and 6yo Dressage Champion. Unfortunately Florencio only had a couple of seasons at stud before contracting EVA, which limited his stud duties, making Fiji one of the few stallions representative of these bloodlines. Frangipani is an opportunity not to miss.

Bambi is the first foal from our impeccably bred Byalee Magnolia, who is by the imported Grand Prix stallion Richmeed Medallion, out of Splendid Jazzarena, who was born of frozen semen from Jazz, sire of the soon-to-be-Grand Prix stallion Jive Magic. Rival has to be one of the most sought-after lots for the astute buyer. He is out of the incredibly successful broodmare Shannon and by the No. 1 Grand Prix horse in Australia, Regardez Moi.

Shannon started her career as a broodmare, producing Daylight, currently campaigning with young rider Briana Burgess in Germany at Monica Theodorescu's stables. A Grand Prix start is imminent and Daylight is winning at Prix St Georges and Inter I in Germany. Daylight has full brothers and sisters with Australian Grand Prix rider Sue Hearn riding Don Romeo here in Australia, winning at Prix St Georges and Inter I level. A full sister, Donna Karen, is owned by John Healey and she in turn has produced Jive Talkin' BP (Jive Magic) who is considered by some a freak young dressage horse with Cornelia O'Mahony in the saddle. The very first Jive Magic foal ever was born by Shannon and this was called Jeff the Chef who is competing in the USA with Silva Martin and is the reigning USA Advanced Dressage Champion.

This fine and elegant black 2yo filly brings together the two beautiful black pedigrees of Richmeed Medallion and Grandkavalier. Her mother, Ellie, was a solid mare of about 16.3hh so we do expect Mikayla to continue to grow for some time yet! Richmeed Medallion (now deceased) was a successful Grand Prix competitor renowned for his amazing temperament. Imported to Australia as a foal at foot, he was sired by the legendary May Sherif, and was the sire of Grand Prix horses himself including Byalee Magic and Moscow and a host of up and coming dressage stars. Mikayla herself literally floats across the arena in a huge groundcovering trot and with Medallion no longer alive to serve, represents a rare opportunity to acquire a quality bred filly carrying his lines. Grand Kavalier was imported from Germany having already passed his 100-day performance test being awarded 8s for both character and rideability. He is out of Resista who is a full sister to 1995 dressage star Rubenstein. Resista's dam Antine is in fact a full sister to Reiner Klimke's Ahlerich and full sister to Adone, dam of Rembrandt. Your chance to make inroads into the warmblood breeding market is here with this beautiful Salute mare in foal to Byalee Briar. She is sold with a LFG and is likely to throw a buckskin with chrome edging! Sally has wonderful, wonderful movement and an easy-to-handle temperament. She has been trained to medium level dressage and her foal is undoubtedly going to be a top performer - this could be in the world of dressage or jumping, given that the Salutes are performing in all three Olympic disciplines with huge success and remembering too that Bjorsells Briar performed higher in his stallion jumping tests than he did for paces - and then went on to be the top Grand Prix dressage stallion in the world! If his jumping was better than his dressage then he truly is remarkable and we expect the progeny of his son Byalee Briar to be just as amazing. ## Chestnut colt 24/11/08

This full brother to Jamboree (sold through Auction of the Stars April 2006 to outstanding young rider Robbie Soster) shows the same impressive elastic movement and enormous power at a young age with a very soft synergy during the airborne moments.

Jazzmatazz R has a very likable personality and has a great compatibility with companionship and people. He will make a beautiful partner in every sense of the word. Rhumba (dam) goes back on the dam side to Duntroon who was the sire of Heath Ryan's Olympic dressage horse Greenoak's Dundee. This is the only mare line that Heath and Rozzie have that directly traces back to Greenoak's Dundee. Jazzmatazz R is definitely of Olympic calibre.
