Welcome to Auction of the Stars

Welcome to the spectacle. Welcome to our third AOS at Heatherbrae.

The November auction here at Ryans, Heatherbrae, is traditionally our biggest and best auction of the year and 2010 will be no exception.

Saturday is trialling day and there are some sensational horses available for public trialling. These horses will cover the whole spectrum: competition horses working through all of the Grand Prix work; stallions that take your breath away; freshly broken youngsters bred in the purple and right on the cusp of a career that could journey on into the Olympics; weanling youngsters who spring around the arena with gay abandon; and wise old broodmares who house fascinating genetics within their bodies and are in foal.

The official trialling usually starts around 10.30am on Saturday and continues on until about 6pm. On completion of the public trialling we then go forward with a masterclass that features all of the stallions in the auction. Talking on the microphone will be Auction of the Stars directors Ann-Maree Cambridge and Heath Ryan supported by the Dutchman, Dirk Dijkstra. This year we would like to add some performances from some of our outstanding pupils and outstanding horses. It should be entertainment plus! During this masterclass we will also all be enjoying a Christmas BBQ and drinks, free to everybody with champagne from Irongate Estate and a lucky door prize from Wholly Relics Antiques. We will also draw the free stallion service fee from entries collected at our Auction of the Stars stall at Equitana.

Please keep in mind that there are a couple of variations of vendor finance available so if you are interested in one of the lots but are concerned about your immediate financial capacity, you should contact us by phone or by email, even if it is on the day of the auction itself. It makes buying easy! This is an auction with more high-class horses than ever before. In actual fact we would suggest that it is the biggest gathering of top-class competition horses ever in an auction in Australian history. You should be there - we would love to see you.

Regardez Moi (imp)

**STANDING AT RYANS, HEATHERBRAE, NSW
BLACK GRAND PRIX STALLION 16.3HH 1996**

Regardez Moi had a huge year in 2009 - Australian Grand Prix Dressage Champion 2008-2009, he also represented Australia at the World Cup Dressage Finals in the USA at Las Vegas, the first of what we hope will be many Australian representative honours for Regardez Moi. At home Regardez Moi has been having great success with his progeny.

At our Queensland auction last year (Toowoomba August 09) the five Regardez Moi lots sold at an average of \$17,950.00!! This has to be some sort of Australian record. The Regardez Moi youngsters are showing great talent for piaffe and passage and are likely to find Grand Prix relatively easy. We promote the statistic that only 6% of the horse population has a vocabulary of movements that allows them to have the potential to do Grand Prix.

We genuinely feel that in the very near future in Australia, the riders that have invested their time, money and soul into the Jive Magic youngsters and the Regardez Moi youngsters will pretty well dominate dressage in Australia.

We also genuinely feel that Australia is about to challenge the world in the dressage discipline so getting involved with these stallions is just a smart thing to do. Regardez Moi was born for this.

Service Fee Value: \$3,850. Live cover only.

**AEA METALLIC STANDING AT AEA BURONG, WOODEND, VICTORIA
BAY STALLION 16.3HH 29/05/01**

The legendary AEA Metallic has proven himself to be an inspiration for the dressage sport in Australia as a top class performer as well as siring some of the most outstanding moving foals ever bred in this country. Since his arrival in October 2005 Metallic's performance has gone from strength to strength and he started Prix St George at just six. He lost a year of competition but nevertheless Metallic had wins at medium and advanced at the Westernport Championships in early March 2008. We are expecting him to do Grand Prix within a year because everything comes so easily to this super-talented stallion. An awesome mover with a powerful, elevated and cadenced trot, he not has only a front leg with that rare knee action, but also an extreme active and powerful hind leg. The canter is just out of this world. So huge and big off the ground! The walk has a very big overtrack and just super impressive.

Byalee Briar (imp)

Byalee Briar is an amazing opportunity to acquire a highly sought-after European pedigree - Bjorsells Briar 899 was for seven years the world's number one stallion! He is a legend! On the dam line, Byalee Briar is out of a Bernstein mare. Bernstein is a Swedish Warmblood stallion, sire of many approved stallions, again with a pedigree that has proved itself in the ranks of Grand Prix in Europe and the US. Bernstein also sired Madonna, the winner of the national Swedish finals for four-year-olds, and won the Breeders' Trophy for 5- and 6-year olds.

He was himself stallion of the year in dressage in Sweden in 2001. Together these bloodlines have now produced an exciting stallion! Byalee Briar is just beginning to develop what will be an amazing competition trot. He has inherited Briar's incredible uphill canter with strong shoulder and knee action, and shows that ever-essential correct walk.

Byalee Briar is already winning annual championships at preliminary level, so quiet he can be campaigned by a teenaged Pony Clubber in the EFA ranks, and his babies are friendly with great conformation and amazing movement.

He jumps, practises polocrosse, and rides out like a gelding babysitting the young horses.

Byalee is thrilled to be able to offer these wonderful bloodlines live in the Southern Hemisphere. As a bonus, Byalee Briar is a palomino, with the colour dating back eight generations of Swedish Warmbloods.

Jive Magic has at long last become a full-blown Grand Prix stallion. His final hoorah in the small tour was the Sydney CDI in May last year where he won every class including the highest score for any horse in any class over the whole weekend! From there he ventured into his first Inter II class and won it. Rozzie was heartened by this, and he followed up with third in his first Grand Prix and 1st in the next.

Entered his next Grand Prix and he won again! At the Victorian Dressage Festival in December he was 3rd to Victory Salute in the Grand Prix freestyle - Victory Salute of course went on to set an Australian record in the Grand Prix and Grand Prix freestyle at the Kentucky WEG! Jive is now scoring more than 68% at Grand Prix and narrowly missed a place in the WEG team. And already Jive Magic youngstock are a huge success - his first foal, Jeff the Chef, was sold at an early Auction of the Stars in Victoria for \$10,000 plus gst and at 7yo with Silva Martin, he is the American National Advanced Champion. Karingal Anastasia (Tor van der Berg) was not only elementary champion but national medium champion at the 2008 Australian National Championships. Taylor Made Jackson (Jess Willard) was preliminary champion at the National Young Rider Championships 2009, and Just Elegant (Lisa Martin) is 2010 NSW State Elementary Champion. Jive Magic has been a long time coming but here he is, a serious blue chip investment for his early backers. Progeny from Jive Magic are very much sought-after and most of the top riders in Australia have youngsters by either Jive Magic or Regardez Moi or better still, a mixture of both!

BYALEE ROMANCE. STANDING AT BYALEE, NULKABA, NSW BAY STALLION 16.3HH 2002

Romance is a powerhouse young stallion with some incredibly exciting movement, just starting to hit his straps and recently performing at Sydney CDI and NSW State Dressage Championships. By Australian international Grand Prix stallion Regardez Moi, his dam line features the German stallion Lanthan (dec), who sired beautiful, elegant warmbloods renowned for their temperaments and talent in both dressage and showjumping. Romance is winning championships at medium/advanced level dressage and is working with huge talent and enthusiasm through the Grand Prix movements. He has an even, regular walk with a clear rhythm and a mind-blowing trot that has Grand Prix written all over it. It is a delight to ride and indicates that like his dad, he will have international standard piaffe and passage. The canter right from the day he was born had magical talent, and Romance loves to collect. He is the consummate show off, a big friendly puppy dog, who loves licorice and scratches. At the same time, he is a professional who is always alert, able to receive sophisticated information and react without stress. He loves to work and hates days off. He is a beautiful and obviously upstanding individual - closer analysis makes him incredibly exciting from a technical point of view and we feel that he is part of a dawning age of dressage in Australia. Available live or chilled (LFG). Service Fee Value: \$1,100 inc gst

AEA Tuschinski (imp)

Europe has a long and successful history of breeding specialised horses for the sport of dressage - but now we offer access to those prize genes with AEA Tuschinski, brought to Australia from Holland by leading breeder and trainer Dirk Dijkstra. AEA Tuschinski is named after his sire Tuschinski, outstanding son of the world-famous dressage stallion Krack C. Krack C is a GP stallion ridden to huge success by Olympic gold-medal winner Anky van Grunsven. Tuschinski is considered by many to be the best dressage progenitor in Europe. His foal report showed that he passes his flexibility, suppleness and presence on to his offspring, that they showed extra special self-carriage and a hindleg technique. AEA Tuschinski's dam is Paronia B by Gribaldi. Gribaldi is the sire of Totilas, record-breaking with Edward Gal on 90.75%!!!! Gribaldi was 1995 champion of stallion selections and 1996 champion in his stallion performance test, winner of the 4yo stallion competition (1997) and reserve champion in the Pavo-Cup (4yo dressage horses). AEA Tuschinski's breeding - and his movement - is clearly phenomenal. AEA Tuschinski had his first two novice dressage starts where he won and scored over 67%!!!! The judges are honestly mesmerised by AEA Tuschinski - so will you be!

On account of Ryans

BAY GELDING 16.1HH 11/11/2008

Jeeves R is a beautiful big 2yo already going beautifully under saddle. Normally we do not break our horses until two and a half years of age but somehow Jeeves slipped in a year early. Jeeves has taken his training on board almost magically and shows wonderful aptitude. He naturally accepts the bit, goes in a rhythmical, soft and consistent way, is always very polite and is very simple to ride. He has a great mind. Jeeves R has also tagged along doing some baby jumping and to our surprise shows quite remarkable talent over a fence with great technique, the front end being sharp and knees up, the back end seriously inclined to open up over the top of small fences and Jeeves R naturally puts his head down over a fence and bascules over the back classically. Jeeves R is also naturally very rail aware and whether it be a trot rail or a small fence, Jeeves R rarely gives the rail a knock. He is naturally careful. Jeeves R is by the Australian Grand Prix stallion Jive Magic and out of the mare Spice R who is last to go in this auction. (See Lot 39.) Just remember Spice is by Salute, who is probably the super-sire in Australia today and the sire of World Championship Grand Prix Dressage horse Victory Salute ridden by Brett Parbery. Jeeves R is very young but without doubt is going to make somebody very, very happy. For more information contact Heath Ryan on 0417 656 636 or email info@ryanshorses.com.au

On account of Successful Strides

BAY MARE 16HH 20/12/04

This bubbly girl is the sibling of an ACE success story, with all of the attributes that made her full sister tour winner. (The tour was cancelled in Giana's year). Her dam was by the impact-making Biathlon, by Bolero, whose influence in dressage in Germany is indisputable. Giana's father Gymnastik Star is well-recognised for progeny who have competed for Australia in jumping and eventing. As such, Giana could be successful in any field. Giana is suitable for a wide variety of riders as she is smooth, smart and safe, never tricky. EA registered but unpointed, Giana is training at elementary level at home. She has been seasoned by a professional, taken to local agricultural shows and associate dressage days at novice level, ready to take out in official preliminary! Strongly built with presence and cadence, she is light over the ground with round action and a generous swing. She has started more collected work and shows superb ability to carry. She will have the power for high level work and the pedigree to breed your own Hanoverian. We feel with her gentle temperament and rideability she is ideal for a smaller rider. Really cuddly, she commands your attention and dare we say it, is shaping up to be the ideal 'girl's horse'. CHESTNUT MARE 15.3HH 16/01/06

Byalee Grace is a straight-forward riding horse with floating movement, incredibly comfortable to ride. She has eye-catching looks and a huge amount of talent, not surprising given that she is by Brae Galaxy - known producer of easy-to-ride and easy-on-the-eye dressage horses. Galaxy's dressage career was cut short by injury, but sire Argentille Gullit was imported by Val D'Argent, campaigned at Grand Prix level by international representative Matthew Dowsley and sold to the UK. He then represented Britain at the Sydney 2000 Olympics. Gullit is by Ulft, sire of international Grand Prix stallion Olympic Ferro, and Galaxy's mare line carries the wonderful Bolero blood through Biathlon. Byalee Grace is already out competing and winning! She is training in lateral work and is happy to go trail riding. She is a wonderful all-round easy warmblood and would be a perfect young rider horse. Her full sister is already just that, and her full brother is also competing successfully. Utopia Cardinal

On account of Utopia Performance Horses

LIVER CHESTNUT STALLION 16.2HH 2004

Utopia Cardinal is a spectacular young liver chestnut stallion with movement to die for. He has a good walk with great overtrack, he has a trot that is sensational, showing wonderful swing through the back, unbelievable freedom in the shoulders and just expression, expression, expression! The canter is very round with great talent for collection and canter pirouettes. Cardinal as an individual is an exotic mix of breathtaking power and a light, elegant way of going that makes him look so much like a dancer. Cardinal is by Regardez Moi who was the 2008-2009 Australian National Grand Prix Dressage Champion and represented Australia at the 2009 World Cup Dressage Finals in Las Vegas. Cardinal has an older full-brother, Byalee Romance, who is campaigned and promoted by Australian Grand Prix rider Ann-Maree Cambridge. Currently Byalee Romance is highly successful as a sire and an advanced dressage horse and is showing particular talent for piaffe and passage. Romance's obvious talent for the Grand Prix work is what prompted Heath to start work on Cardinal. Cardinal has already produced some spectacular foals and it is our opinion that he will make a top of the range Grand Prix competition horse. A competition horse of Olympic calibre is a distinct possibility. For more information contact Heath Ryan on 0417 656 636 or email info@ryanshorses.com.au

BLACK GELDING 10/06 17.1HH

GP Renegade - Hugo - is going to be your next FEI star! He is big, black and handsome! His sire needs no introduction at all, and his dam is by the wonderful Don Ramiro, siring top FEI competitors as Daylight (GP in Germany with Brianna Burgess), Donizetti and TL Ramedon. Also there is Domherr in there - Domherr was a real sensation but died prematurely, only producing a handful of great horses. And just a little further down the line, there is an element of TB with Double Cream, who sired Olympic eventers such as Trade Commission (Scott Keach, Seoul). Hugo has a sensational temperament! He is very trainable with a heart of gold - he tries his hardest all the time and never complains. Hugo, a lot like his father, has a wonderful uphill frame. He has a very lovely bit and powerful trot, and a light, forward canter. His mouth is like butter, showing his acceptance of the bit and the rider. He has been under saddle for more than a year, doing stockwork, natural horsemanship, trail riding, jumping, campdrafting and dressage, working on legyielding, shoulder in, travers and simple changes. He will be a serious FEI competitor and will no doubt stamp his name and yours in the record books. This is truly an outstanding horse for a serious rider whose dreams have no end. Madge**Lot
7**

On account of Ryans

BLACK MARE 16.1HH 1998 PPT TO REGARDEZ MOI (LFG)

Madge is a collection of bloodlines that today are very scarce. Richmeed Medallion (now deceased) is becoming more and more recognised as a significant sire of Australian performance horses. Medallion youngstock can be seen featuring in the FEI dressage classes at most National Championships and State Championships throughout Australia. Recently Byalee Magic was creating a lot of comment as he challenged and beat many of Australia's top Grand Prix horses at these major championships. Magic was sold for a six-figure amount. Mystery Whisper, also by Medallion, would put claim to being arguably the best three-day eventer in Australia having just won the Sydney CCI 3-star. Kilo Mcohl did jump around Gawler three-day event many years ago with reigning World Champion Lucinda Prior-Palmer. Kilo Mcohl sired very quiet youngsters and was largely overlooked, however, Tivolly Mcohl, ridden by Peter Weston, was almost unbeatable on the Australian scene. Madge has produced some beautiful foals and is in foal to Regardez Moi, due March 1. Madge is a really classy mare as can be seen by her photograph and will produce something really special to Regardez Moi. This foal will be a full sister or brother to Betsy who is also in this auction. For more information contact Heath Ryan on 0417 656 636 or email info@ryanshorses.com.au

On account of Byalee Stables

PALOMINO FILLY 30/8/10

Byalee Bella Rose is the third stunning foal for this mare, and her second palomino filly, the first being sold to a New Zealand buyer sight unseen. Bella is a rich, deep palomino gold colour, with socks to stand out in the crowd, plus an outgoing and truly wonderful personality. She is well-handled, easy to plait and rug at just two weeks of age, with a bold independence that will evolve into presence in the arena. Bella is by the imported stallion Byalee Briar, who is by the legendary international stallion Bjorsells Briar 899, world's top dressage stallion for some seven years until his retirement last year. Bella is out of the stunning little mare Kalimna Wyld Rose, by Wyndermere, a stallion licensed in Germany and the only imported son of Wolkenstein II, by far Weltmeyer's best son. Wyndermere's dam, Angelique, produced two other licensed sons, one of which stands in the UK. Rosie is out of Encore, whose dam was a Grand Prix dressage horse with Queensland's Paula Price. Encore is by Lucano, another imported stallion, who is by the great Luciano, sire of influential Grand Prix dressage horse and three-day eventer Ludendorf. Bella is a real find! Pianola R**Lot
9**

On account of Ryans

CHESTNUT FILLY 28/09/09

Pianola R is a very unusual presentation and represents a product from a rarely seen hidden herd of mares. These youngsters are eventers and are produced by Heath, for Heath, and until recently have had little or no promotion. Promise R is an amazing mix of Olympic dressage bloodlines in Silvano N, who competed in the Grand Prix dressage at the Sydney 2000 Olympics for Holland and Flemmingh, who is the sire of Lingh with Edward Gal and Krack C with Anky van Grunsven. Both Silvano and Flemmingh, however, are pure jumping bred and so although Promise R (Pianola R's sire) at first glance is a dressage stallion he does jump like a stag with great technique, agility and watchfulness. Song R (Pianola R's dam) is by Sanction who also sired Flame, who with Heath in the saddle won most of the major three-day events in Australia including Adelaide 4-star. Pianola R has an older full-sister called Peaches R who has been kept on by Heath with a view to competing at 4-star level eventing. Pianola R will grow into a beautiful type. She does have great movement, is especially quiet and we feel without a doubt will jump like a stag. Funnily enough Heath's private little broodmare herd has started to become valuable and the purpose-bred eventer is the way of the future. BAY MARE 27/10/07 16.1HH

This is an outstanding opportunity to purchase a young mare purpose bred to be a dressage star. "Sophie" is by Heath Ryan's Australian Champion and World Cup representative Grand Prix stallion Regardez Moi. Progeny of Regardez Moi are famous for their sensational trainability, and already Deltry Lodge has produced Deltry Sorrento, with brilliant trainability, recently sold for \$60,000, after winning an incredible number of championships from novice to medium while only five years old! Sophie would be a brilliant prospect as a broodmare - her depth of breeding is long and carefully selected. Her grandsire Wirragulla Hamlet was a fabulous Trakehner that excelled in dressage, eventing and showjumping. Trakehners are a major influence in Dutch breeding, which is now totally dominating world dressage, overpowering the mighty Germans and setting new world record scores. Sophie is incredibly sweet and friendly and will make a great partner! For more information contact Ron Delforce on 0404 461 717 or email deltry@dodo.com.au

BAY/BROWN MARE 1/11/02 15.2HH PPT TO BYALEE ROMANCE (LFG)

"Pippa" is a lovely, beautifully moving mare who will be an excellent buy. Already the mother of a beautiful black Romance colt that shows every sign of being as talented as his sire and grandsire, Pippa is sold in foal to the magnificent Byalee Romance. She represents a wonderful opportunity to venture into the world of warmblood breeding without a second mortgage, and in fact will undoubtedly give the buyer an outstanding foal, since Romance has already proved an excellent cross over thoroughbred mares. Pippa has had two outstanding foals by him already, the eldest going brilliantly under saddle. Interested in eventing? This is a great opportunity to set up a young rider of the future with the kind of horse now needed in the sport - superb mover in the dressage combined with talent over a fence and the ability to make time cross-country. The latest photos of Byalee Romance show that he could be something very special if he wasn't in a Grand Prix dressage home - this youngster will tick all the boxes and the mare is yours to ride or breed again. It's all up to you! For more information contact Ann-Maree Cambridge on 0407 453 494 or email byalee@bigpond.com

BAY COLT 12/12/09

Meteor R has spectacular movement as you would expect considering his pedigree. Metallic is promoted much of the time as the best-moving horse in Australia. Metallic has started his dressage career under Dirk Dijkstra and has wins and placings up to and including Prix St George. Metallic goes back to Ferro who is called the Black Pearl in the Dutch breeding program and Ferro himself was also a Grand Prix dressage horse and competed at the Sydney 2000 Olympics. On Meteor R's dam side is Regardez Moi who was the 2008-2009 Australian Grand Prix Champion and who represented Australia at the World Cup Dressage Finals in Las Vegas USA in 2009. Misty Morning is by the Grand Prix dressage stallion Richmeed Medallion and Diamond Delight goes back to the Olympic Gold Medallist Donnerhall through her sire Don Ramiro. The pedigree for Meteor R is star-studded and as far as we know this may be the only Metallic/ Regardez Moi cross colt in the country. Meteor R is like his dad in that he is quite leggy and also is a fancy mover. Meteor R does have great balance and really carries himself up in front, especially once he is in action. Meteor R is an athlete with real charisma. For more information contact Heath Ryan on 0417 656 636 or email info@ryanshorses.com.au

BB Fleetwood - "Cracker" - is a very calm and sweet natured youngster, rising three and ready to break in. He has already been mouthed and lunged and has no issues being saddled. Cracker is by BB Flemmington (Flemmingh) whose short career has included champion ridden and led Warmblood in WA, runner-up WA State young horse (more than 70% first outing), top 10 DWTS 2003, and a Dressage NSW bronze medal at novice from just six outings. Cracker is sure to follow in his footsteps, being very quick to learn and easy to handle, trim, worm, rug etc. Cracker's movement is correct and even. He has an uphill canter as well as an even walk and trot. He has been raised on correct feed in open pasture and has been regularly trimmed and wormed. This guy has it all, and with his smaller height is great for young riders, small adults or those who do not want to be over-mounted. A great opportunity with a young horse! Byalee Paris

On account of Byalee Stables

BAY MARE 6/9/06 15.2HH PPT TO BYALEE BRIAR (LFG)

Paris is a real sweetheart, a complete failure in her brief adventure into racing and an all-round pet. She does represent a wonderful opportunity to score your first adventurous step into the world of warmblood breeding at just a fraction of the price you might otherwise outlay - and you do have a high chance of landing a stunning buckskin warmblood on the ground this time next year! Paris is a correct and pretty horse with a correct walk, a swinging trot and an off-the-ground canter. She is easy to handle, to catch, rug, hose, float and is an easy broodmare, causing no problems at all to scan or serve despite her maiden state. Paris is in foal to Byalee Briar, a stunning imported stallion, who is by the legendary international stallion Bjorsells Briar 899, world's top dressage stallion for some seven years until his retirement last year. Byalee Briar is now going great guns at novice level dressage whilst just starting to dabble in some quite collected work with some real talent for piaffe and passage, just like his medal-winning sire. Briar also has an amazing temp, able to be ridden and handled by pony club teenagers - he enjoys hacking out and polocrosse practice. Briars are also bred to jump, giving this foal a wonderful chance at eventing. Paris is also more than young enough to ride post-foal, giving you a two-for-one package that will be hard to beat! Deltry Lodge Ruby Jane

Lot
19

On account of Ron Delforce

BAY FILLY 27/10/07

Ruby Jane is an opportunity to buy a young mare by the legendary Grand Prix stallion Richmeed Medallion (now deceased), who is becoming more and more recognised as a significant sire of Australian performance horses. Medallion youngstock can be seen featuring in the FEI dressage classes at most National Championships and State Championships throughout Australia. Recently Byalee Magic was creating a lot of comment as he challenged and beat many of Australia's top Grand Prix horses at these major championships. Magic was sold for a six-figure amount. Mystery Whisper, also by Medallion, would put claim to being arguably the best three-day eventer in Australia having just won the Sydney CCI 3-star. And his full brother, Bradgate Park Magnum, sold at Auction of the Stars November 2009 for \$31,000. From the same stud as Ruby Jane was the Medallion Deltry Valentino, who won multiple preliminary championships and qualified for the NSW State Dressage Championships - all before he turned four! Ruby Jane is ready to either break in or be bred, and we suspect Jive Magic would be a sensational sire for her foal as they both have four white socks and Grand Prix potential. BLACK MARE 16.1HH 3/2/07 PPT JIVE MAGIC (LFG)

Betsy is a superbly refined mare in foal to Jive Magic. She moves with extreme elegance and has a wonderfully gentle disposition. As seen in the photograph, this mare is not only bred in the blue, she looks and moves like royalty. At four, one of the very serious options available is to break her in once she has had this foal and give her a change of career direction and use her as a top of the range riding horse. She is bred to go right to the top and she sure looks like she could go right to the top. Her bloodlines are of serious quality being by the top Grand Prix dressage stallion Regardez Moi (2008/2009 Australian National Grand Prix Champion and represented Australia at the World Cup Finals in Las Vegas in 2009). The dam of Betsy, Madge (see Lot 7), is by the hugely successful Grand Prix stallion, Richmeed Medallion. Madge's foal is bound to be spectacular being by Jive Magic who is making his presence felt among the top Grand Prix horses in Australia, winning perhaps the biggest Grand Prix class in Australia, the Sydney CDI 2010. This is a fantastic opportunity to buy a really quality horse. BLACK /BROWN COLT 10/11/08

Springwood Renowned is a sensational black/brown superstar who is a full-brother to Roccoco. Roccoco is winning elementary dressage tests at the age of six in the Dressage NSW competitions in Sydney, probably the most hostile competition arena in Australia in terms of top-of-the-range competition. Renowned is by Regardez Moi who was the 2008/2009 Australian Grand Prix Dressage Champion and represented Australia at the World Cup Finals in Las Vegas in 2009. Renowned is out of Kinnordy Sayonara, who in turn is out of the imported broodmare Gold Song. Kinnordy Sayonara is also the dam of Just Elegant, a spectacular Jive Magic mare being campaigned with great success by Australian Grand Prix dressage rider Lisa Martin. Just Elegant is NSW Elementary Champion and considered by many one of the most exciting young dressage horses in Australia today! Renowned is take-your-breath-away beautiful to look at. Diva is a terrific chance to combine Australia's established and proven bloodlines with the new and imported pedigrees that are proving all but unbeatable. Diva is magnificent, trained to medium dressage, and sold in foal to Byalee Romance. Romance is by 2008-09 Australian Grand Prix champion Regardez Moi, out of a mare by beautiful black German stallion Lanthan (now deceased). Diva is a product of the recently retired Jan and Peter Powles, of Northern Stud, famous for many years for its huge impact on Australian dressage. She is by Falkland Victory, by the imported Falkland, out of a Monopol mare. Monopol and Falkland were among the first imported stallions and had a huge influence. On the dam line, Diva is out of a Northern Congress mare, Northern Congress being by Contact and sire of other champions such as Olympian Northern Charisma (Rachel Sanna). CHESTNUT GELDING 16.1HH 2001

Bindaboo is a sensational young eventer who already has wins at one-star level as well as numerous placings, is seriously talented, and ready to go up through the grades. Without doubt this is a potential 3-star top-of-the-range winner, straight TB by the sire Brilliant Invader, sire of many international eventers including Ready Teddy, who with New Zealander Blythe Tait was both the reigning World Champion in 1988 and the individual Olympic Gold Medallist in Atlanta in 1996. Many of Olympian Wendy Schaeffer's advanced horses are also by Brilliant Invader. On the dam's side, Mikado is the sire of many outstanding jumping horses, including Spirit, a stunning World Cup showjumper with Olympian Rod Brown in the saddle. Bindaboo is steady as a rock in the dressage arena with an amazing temperament. He is almost always in the top five in this discipline with great basic paces, all two-track work established, nice extensions, established flying changes, canter pirouettes - he could do a Prix St Georges test right now! Cross-country, Bindaboo is well-schooled over water, ditches, apexes, bounces, and narrow fences. He is fast and a serious jumper. BAY MARE 27/12/06 16.2HH

GP Jena - alias Heidi - is simply stunning. She has all the attributes to be the horse of your dreams. Her sire is very well-known and publicised, so there is no need to talk about him - and her dam has some of the most influential breeding in the world! Her older brother has just started his eventing career, scoring nothing under 72% and placing second in his first intro at Camden. Heidi is a lovely horse to ride. She is very quiet, responsive, with a lovely uphill canter, and a lot of lift in the trot. She shows a lot of presence even just standing in the paddock, but she has one of the most outstanding temperaments and is very trainable. She has been lightly campaigned during the past year, doing stock work for three months, jumping, and more recently has done dressage, concentrating on her flat work, starting leg-yielding, shoulder-in and canter/walk. She will no doubt go up the grades very quickly! Heidi has the ability to be a very competitive FEI horse, but she will also be a very valuable asset to a breeding program. She will melt your heart from your first glance with her beautiful big kind eyes and her affection towards people. She must go to the best of homes! Jigsaw R is a very unusual presentation for lots of reasons. He does have:

1. A fantastic pedigree being by Jive Magic who earlier this year won the biggest Grand Prix class in Australia at the Sydney CDI. Jigsaw R is out of Billy R who is a full sister to Grand Prix winner Centaur who was ridden by Anne Serrao.
2. Jigsaw R is very, very quiet under saddle. He already accepts the bit nicely and is extraordinarily trainable. He is born to be a star and just naturally loves his job.
3. Jigsaw R does have some lovely paces, is spectacular to look at and unlike many superstars is ever so gentle and patient.
4. Jigsaw R does have the most amazing colour splash of white which is so Dutch and so difficult to explain. He also has four white stockings going up to both knees and both hocks.

What more could you ask for than a half-brother to sensational stallion and WEG team horse Jaybee Alabaster? AliCat is by Alabaster who stands at the Hannover State Stud at Celle, out of a Belcam mare. This dynamic and powerful 7yo 16.1hh Hannoverian can fast-track you to dressage success. The hard work is done, he is well seasoned and has competed successfully at several outings up to elementary with Mary Seefried commenting that he is 'a horse with potential'. AliCat is EA registered but has no points, so he is ready to be extremely competitive at your choice of level! He is established at medium, bar the changes which are there, but are still being polished. Powerful and with the talent to collect and extend, this horse is obedient, laid back, and a pleasure to take out. Because it is easy for him, AliCat is already offering some higher level work and will piaffe and passage easily. Elastic over the back into a light snaffle mouth, you'll love the naturally uphill outline, easy laterals, self-carriage and rhythm. Byalee Beau

On account of Byalee Stables

BAY GELDING 30/11/07 16HH

Byalee Beau has always been the Byalee pet - right from the beginning, he has been a real people person, and nothing changed during the breaking process! This is a young horse with an old soul. If you are looking for your first warmblood youngster, this is the one to learn on! Beau is so laid back and quiet that you could mistake him for a 20yo stock horse - and yet he has two grandires of pure Grand Prix breeding to make him an undoubted success in the dressage arena! Beau has been used for lessons at Byalee, and even as a mount on Ladies' Day, handling trail rides and boot relays in his stride. All this before his 3rd birthday! He doesn't blink when a cement truck unloads right behind him, or when a mower goes by, he doesn't notice when he is loaded onto the float and off to a little day out where he wins ribbons effortlessly. This is a horse in a million! His sire, Byalee Briar, is renowned for his amazing temperament and his Trakehner dam, Belle, was the pet of the broodmare herd, herself a successful dressage horse until she became a broodmare. Beau won't be incredibly tall, and would suit a young rider or small adult looking for that perfect warmblood competition horse in dressage or jumping. Puffin R

On account of Ryans

DAPPLE GREY STALLION 16.2HH 10/1/04

Puffin is a beautiful young stallion by the outstanding Grand Prix dressage stallion Regardez Moi. Regardez Moi is campaigned by Heath Ryan and was the 2008/2009 Australian National Grand Prix Champion and also represented Australia at the 2009 World Cup Finals in Las Vegas USA. On the dam's side, the bloodlines are quite unusual in that there is a double cross of Spanish blood. These bloodlines are the result of the Ryan family breeding program, which led to the production of Benwerrin of Coolalee and Southland of Coolalee, both of which were involved in the lead-up to the 1988 Seoul Olympics. The Andalusian blood was added to the breeding program specifically to increase the genetic capacity for piaffe and passage. Piaffe and passage are known to be highly inheritable and this strong focus on genetics is a key aspect of Heath and Rozzie Ryans' breeding program. Puffin has spent 2 years in serious training with the Ryans and is schooling shoulder-in, half pass, medium trot and canter pirouette. Puffin is really confident, has a quiet temperament and at the moment is primarily schooled by young rider Sappho Ranson-Elliott under the guidance of Heath and Rozzie. Puffin is a serious competition horse and potentially a stallion of great genetic worth. For more information contact Heath Ryan on 0417 656 636 or email info@ryanshorses.com.au

Squirrel

On account of Wendy Ward

BROWN GELDING 16.3HH 19/9/03

Squirrel is the epitome of the gentle giant, with a magnificent temperament. Squirrel has only been in work seriously for the past 18 months and has developed into a very competitive dressage/eventing horse. Squirrel has been to straight dressage competitions on four or five occasions. Unfortunately for Squirrel he has often had visiting riders or nervous riders on his back simply because he is so quiet. Squirrel in competition is exactly the same as when he is at home, from a temperament point of view. Squirrel has three very correct, rhythmical paces and to everyone's astonishment Squirrel has won most of the dressage tests he has ever entered. On two occasions the riders in the saddle had never previously won a dressage test! Earlier this year Squirrel won the introductory class at Canberra ODE by some 10 points! Squirrel is very straightforward, very bold and brave, very long-suffering and will canter around with a nervous 10yo girl. On the other hand Squirrel is definitely showing signs of serious talent and should not be overlooked by the super-ambitious rider. Squirrel is incredibly sweet and deserves a great home. On account of Grant Miles

BAY/BROWN GELDING 16HH. 12/12/02

Jacobello Del Fiore (Jericho) has been bred by Robyn Horsley of Lochinvar and owned and produced by Leesa Miles. This is a particularly sad story - Leesa has recently passed away with cancer and so this necessitates the sale of Jericho. Leesa is pictured here on Jericho in earlier days. Jericho was Leesa's pride and joy and has already had many, many wins and placings up to and including Prix St George - Leesa's last start scored more than 64% at PSG in a competitive class! Jericho has flying changes down to every second stride and has started one-time changes. All of the two-track work is super-duper and the canter pirouettes are very good. Jericho has huge power in the trot and although it is still early days he is remarkable. Piaffe and passage have both been started and a Grand Prix start is only a matter of time. Jericho is incredibly quiet and could be ridden by a 5yo. He is also super reliable in competition. Jericho is by Jive Magic who has had a sensational year this year winning perhaps the biggest Grand Prix class of the year at the Sydney CDI earlier this year. CHESTNUT FILLY 26/11/07 16.1HH

Byalee Bellanne is one of our most amazing Briar babies - just turning three this weekend, she bears a striking resemblance to grandsire, Bjorsells Briar 899, the world's top international dressage stallion for some seven years until his retirement last year with Jan Brink (Sweden). Her striking looks are combined with an off-the-ground trot, a ground-covering uphill canter, and a beautiful walk. She is an easy-to-handle youngster in all ways. Her dam, the Marscay-line thoroughbred mare Byalee Fair, was chosen for her sweet temperament and correct conformation and she has passed on both with the benefit of Byalee Briar's renowned temperament. "Becy" is an absolutely lovely filly worthy of any broodmare herd or competition barn. She is a very laidback youngster, no quirks or nasty habits, happy to ride out in the national forest or train on the arena. She will wander around the grounds, canter up the driveway, walk through carparks and along roads without batting an eyelid. At the time of the catalogue going to press she was just beginning to take up a contact and address the world of dressage where she will undoubtedly be hugely successful! AEA Flaminio

Lot

On account of AEA Burong

CHESTNUT GELDING 19/10/04 17HH

AEA Flaminio is an honest and reliable gentleman who will take the right rider to the top. He makes you enjoy riding dressage. He has a big beautiful walk, a very balanced trot with plenty of impulsion and a huge uphill canter. He gives you a great feel and his trusting attitude ensures you will have a friend for life. AEA Flaminio has been out competing and always places with scores over 60%. He was the winner in the 5-year-old consolation class at DJWTS 2010, which makes him in the top 11 (now 6-year-old) horses in Australia. The sky is the limit for this horse. AEA Flaminio is by the legendary Dutch stallion Flemmingh, who made his mark in the Dutch dressage breeding scene through his extravagant movement-displaying offspring. These include Krack C, Lingh, Melwin and, in Australia, Rambo and Feuer. At one time, Flemmingh had three sons competing at the Dutch National Championships at Grand Prix level. AEA Flaminio's dam is by the famous stallion Grandkavalier. Grandkavalier passed the rigorous 100-day performance test in Germany with 8 for character and 8 for rideability. Grandkavalier's dam is a full sister to Rubinstein. Grandkavalier's sire is Grundstein II and was one of Germany's top 10 dressage sires with outstanding progeny such as Gracioso and Gemini. Rattle 'N' Hum

On account of Karen Allmark

BAY GELDING 20/12/06 16.3HH

Rattle 'n' Hum was bred by Heath and Rozzie Ryan and bought as a foal by the owner at Auction of the Stars for a top price. Rattle 'n' Hum is by the outstanding imported stallion Regardez Moi (2008-2009 Australian Grand Prix Champion and in 2009 represented Australia at the World Cup Finals in Las Vegas). Rattle 'n' Hum's dam is Jive Lady who is by the magnificent Dutch stallion Jive Magic (winner of the small tour Sydney CDI 2009 and this year winner of the Grand Prix at the Sydney CDI). Rattle 'n' Hum is certainly bred for the Grand Prix arena. Rattle n Hum is powerfully built and simply explodes off the ground with both grace and rhythm and is an extremely elegant horse, remarkably up in front and naturally engaged. His trot is built on springs and is beautiful to ride as Rattle 'n' Hum has a really soft back. His canter is flamboyant; big and expressive with exciting looseness, yet also wonderfully balanced. His exploding walk is regular with massive overtrack. He has a naturally round and soft head carriage; with a soft mouth and lovely temperament, this lovely horse is suitable for a young rider wishing to move up the grades or a high profile rider with Olympic ambitions. This outstanding individual is destined to go far; it doesn't get much better than this boy! For more information contact Heath Ryan on 0417 656 636 or email info@ryanshorses.com.au

LR Monopoly

On account of Bonnie Brae Stud

BROWN/BLACK GELDING 17/12/05 16.1HH

Monopoly is by BB Flemmington (Flemmingh) whose short career has included champion ridden and led Warmblood in WA, runner-up WA State young horse (more than 70% first outing), top 10 DWTS 2003, and a Dressage NSW bronze medal at novice from just six outings. Monopoly has a very laid back, unflappable attitude. He has lovely conformation and is extremely light on his feet with an elastic, cadenced trot, a soft, uphill, well-balanced canter and a good roomy walk with a soft, snaffle mouth. He has a compact, athletic build, showing potential for extravagant movement combined with willingness to learn. He is extremely receptive to voice commands on the lunge, is inquisitive and comes when called. He is completely sound and has never had an injury. Monopoly was started as a 4yo and has been taken slowly. He is good on trails, on the beach, in the arena, on the lunge or in hand. He is good to tie up and float, and currently being trained by Heath Ryan. He has been raised on correct feed in open pasture and has been regularly trimmed, wormed and had his teeth done. He is microchipped and ready to go. He is for sale only due to the extenuating circumstances of the owner, who is now unable to compete him and take him to the levels that he is more than capable of achieving.
