

REGARDEZ MOI Black Grand Prix stallion 16.3hh 1996

Regardez Moi had a huge 2009 – Australian Grand Prix Dressage Champion 2008-2009, and represented Australia at the World Cup Dressage Finals in the USA at Las Vegas, the first of what we hope will be many Australian representative honours for Regardez Moi. 2010 is also a big year with the World Equestrian Games at Lexington, Kentucky, USA. We hope to be there! At home Regardez Moi has been having great success with his progeny. At our Queensland auction last year (Toowoomba, August 15/16), the five Regardez Moi lots sold at an average of \$17,950.00!! This has to be some sort of Australian record. The Regardez Moi youngsters are showing great talent for piaffe and passage and are likely to find Grand Prix relatively easy. We promote the statistic that only 6% of horses can perform piaffe and passage and we genuinely feel Jive Magic and Regardez Moi youngsters will soon pretty well dominate dressage in Australia. Regardez Moi was born for this.

JIVE MAGIC Bay FEI stallion 16.3hh 1996

Jive Magic is now a full-blown Grand Prix stallion, winning in top competition and looking like he and Rozzie Ryan are going to be very difficult to keep out of the Australian team at the World Equestrian Games in the USA this year, especially after his performance at the Victorian Dressage Festival in December where he was 3rd to Victory Salute in the Grand Prix freestyle. Jive Magic has also shown great success with his youngstock. His first foal, Jeff the Chef, was sold at an early Auction of the Stars in Victoria for or \$10,000 plus gst and at 7yo with Silva Martin, he is the American National Advanced Champion. Karingal Anastasia (Tor van der Berg) was not only elementary champion but national medium champion at the 2008 Australian National Championships. AEA TUSCHINSKI Dark Brown Stallion 170 cm 20/04/2005

Europe has a long and successful history of breeding specialised horses for the sport of dressage - but now we offer access to those prize genes with AEA Tuschinski, recently brought to Australia from Holland by leading breeder and trainer Dirk Dijkstra. AEA Tuschinski is named after his sire Tuschinski, outstanding son of the world-famous dressage stallion Krack C. Krack C is a GP stallion ridden to huge success by Olympic gold-medal winner Anky van Grunsven. Tuschinski is considered by many to be the best dressage progenitor in Europe. His foal report showed that he passes on his flexibility, suppleness and presence, with special self-carriage and a hindleg technique. AEA Tuschinski's dam is Paronia B by Gribaldi. Gribaldi was 1995 champion of stallion selections and 1996 champion in his stallion performance test. RINALDO R *Regardez Moi (imp)/ Richmeed Medallion (imp) - colt 25/12/09*

This is a spectacular black colt who is an instant standout. Rinaldo R is very quite and seriously adventurous. His paddock at Heatherbrae also houses the cross-country schooling fences. There is a mound which is some 15 feet high with fences on top of it and a very steep approach and descent either side. Rinaldo R will gallop up to the top flat out, brake to a bone-jarring halt then rear and paw at the air whilst he looks out over the world. Then Rinaldo R does a type of corbette and gallops off down the other side, simply exhilarating to watch. Rinaldo R is out of Marge R who is a full sister to the Grand Prix horse Moscow ridden by Adam Vellere. Marge R is by the Grand Prix stallion Richmeed Medallion (Ann-Maree Lourey) and has produced a number of top-priced auction horses which can be found in the hands of some of Australia's top international riders in Mary Hanna and Sue Hearn. This colt is something else.

AEA TENNESSEE *AEA Tuschinski (imp)/Dutchman (imp) - Filly 6/10/09*

AEA Tennessee is a wonderfully bred filly by the superstar-in-making AEA Tuschinski. His first crop of foals has made breeders all over Australia extremely excited about this new level of quality and movement. We at AEA Burong share that same feeling. Tennessee is out of a Dutchman mare that produced very classy horses, example, AEA Jester and AEA Fletcher, both successful dressage horses. Dutchman needs no introduction as a sire of international horses in all three disciplines. AEA Tuschinski won his first 5yo qualifier and Alisha and I feel that this stallion will take us to the next level with genetics from Krack C, Flemmingh and the now Keur stallion Gribaldi, sire of world-record smashing dressage phenomenon Moorlands Totilas (Edward Gal). We are sad but also proud to offer such an exquisite filly for sale.

BYALEE REQUEST *Regardez Moi (imp)/Richmeed Medallion (imp) lines - Colt 11/11/09*

Byalee Request comes from left field to give a fascinating blend of genetics - he is by a beautiful Regardez Moi (imported black Grand Prix stallion)/Richmeed Medallion (imported black Grand Prix stallion) colt. The Medallion sire is out of a Salute mare giving a magical blend of Grand Prix pedigree. On the mare line, Request is out of Kelhaven Matilda, a young sporthorse mare whose dam is by an imported American quarterhorse, out of a dam by another imported quarterhorse. The sire of his dam is a registred clydesdale, a cross that brings a fascinating combination and a beautiful rolling movement to Request. This boy is described by those who meet him as "a perfect gentleman", and in fact the same accolade is awarded to his Clydesdale grandfather. Request is a majestic youngster who will be very special in the future.

AEA THEODORE *AEA Tuschinski (imp)/Ferro - colt 10/10/09*

Theodore is a truly internationally bred colt by the stunning Tuschinski out of a Ferro mare - Dutch breeding at its best. Not only is his pedigree sensational but so is his movement. A picture says more that a thousand words so have a look at his phenomenal trot, uphill like his sire and grandsire, with a really active hind leg. Bloodlines like this are rare in Australia and perhaps in the world, with international dressage superstar Krack C, producer of many international dressage champions Flemmingh and Gribaldi, who in my line of thinking will be soon be one of the world's top dressage sires and this is not only because of Totilas but with all the other Grand Prix dressage horses he sired. Ferro is without doubt the "Black Pearl" in the Dutch breeding and all these genes are represented in AEA Theodore. Have another look at the picture!

BYALEE BLUSH *Byalee Briar (imp)/Salute (imp) - Filly 01/12/08*

This is an unusual opportunity to buy a Briar filly - and she is for sale only due to Byalee retaining her younger sister. Blush is by Byalee Briar out of Stirling Savannah Salute/(Ludendorf), mother of Grand Prix champion Byalee Magic, recently sold for some \$300,000. What price a half-sister to Magic? This youngster has the potential to make a fortune for you as a broodmare, or to make your own Grand Prix dreams come true as a competition horse. She is an beautiful moving horse with a lovely gentle temperament, typical of the Briars.

RASTAFARIAN R *Regardez Moi (imp)/Jive Magic (imp) - colt 16/10/09*

This is a black /brown colt who rockets through the air with charisma and audacity. His mother Jamaica R is by Jive Magic, so Rastafarian R, who is by Regardez Moi, claims two of Australia's top Grand Prix performing stallions as sire and grand sire. Further back on the dam's side is Salute who in turn is the sire of Victory Salute, Australian Grand Prix champion. When it comes to being bred in the blue, it doesn't get much better than Rastafarian R.
